

Year 6
18.09.2026

Dear Parents/Carers,

In school:

This week, the children have written and published newspaper reports based on the outbreak of WW2. In Maths, the children have revised their knowledge of negative numbers and practised using written methods for adding.

Next week

The children will be completing an assessment week to familiarise themselves with the format, build their confidence and help us identify areas of strength and development so that we can plan accordingly.

Bikeability

Well done to our Year 6 children who took part in Bikeability this week! They showed great confidence, focus and responsibility as they developed their cycling skills and learned how to stay safe on the roads. We are very proud of them all! 🚲
