

Year 6
04.09.2026

Dear Parents/Carers,
Welcome back! We hope this newsletter finds you all well and that over Summer you found some time to rest and spend quality moments together as families. All the children in Year 6 have settled in brilliantly this week and we are so very proud. We would like to congratulate them all for being so positive about their start to their final year at Harlyn and for the maturity they have displayed.

This week:

This week, we have jumped straight into our learning! In English, the children have written some fantastic stories, showcased their creativity and writing skills as they imagined being the last person left on Earth. In maths, we have been working hard on all four operations and developing our confidence in using them.

Homework will be set on a **Friday** and due in the following **Friday**.

Each week the children will have the following:

Please can the children bring a PE kit bag containing the following: *white t-shirt, blue shorts and dark tracksuit bottoms* for the days in which their lessons are scheduled. Please can we remind you to ensure that all items are labelled with the child's name and class as this makes it easier to return any lost items.

On the 23rd September, there will be a chance to meet your child's new teacher. This will start at 7pm and will take place in the school hall. The meeting will be about SATs, an early mention about the Year 6 end of year trip to Georgeham, high schools and expectations from teachers.
