Year 5 Homework

Week 5

Year 5

Your hand in date is 16.10.25

This week you need to complete:

- To read daily (aim for 20 minutes)
- Doodle Maths

Computing Homework:
After half-term, we will be making videos. We would like you to come up with a list of 5 games that you could film to make an instructional video.

Try to keep them simple. Complicated games will be a lot harder to film! Some ideas are 'chopsticks', 'rock, paper, scissors', a card game or a board game.

Choose your favourite one and write a set of rules / instructions you would need to know to explain this to someone else.

Things to Remember

If you need help, please ask any of our Year 5 teaching team ☺

Week 6 Spellings

Jalapeno

superstitious	luscious	oblivious	repetitious	audacious
obnoxious	conscientious	suspicious	anxious	contentious
