Year 5 Newsletter

Dear Parents/Carers,

This week, the children have explored clauses In English this week. They have begun to write complex sentences using subordinating conjunctions in their setting descriptions. In Maths, the children have finished their place value topic, exploring questions in context. In topic, the children learnt about Victorian schooling. They all said how glad they are to be at school now rather than back then! The children explored European Languages Day on Thursday. They met with their buddy class (Year 2) to complete activity in pairs. In RE, the children have learnt about Passover and the Seder plate as part of their Judaism topic.

Next week

Maths – Next week, the children will be revisiting formal methods for addition and subtraction.

English – Children will learn about instructional writing and will be writing instructions for a Victorian style medicine!

Homework

This week for homework, the children have their usual spellings. They have a place value task on Doodlemaths and a task on adverbials on DoodleEnglish.

As always, if there are any problems with homework, please come and speak to us or send us an email.

Doodle (English and Maths)

Please can we ask that you update your Doodlemaths/English apps if you are using them on a tablet. This can sometimes cause the problems of homework not appearing or us seeing that homework has not been complete when it has.

Also, please can you remind your child that they need to collect the stars at the end of the homework. If they do not collect the stars, the homework does not show as being completed.
