Year 6
25.09.2026

Dear Parents/Carers,

In school:

This week, the children have completed assessments. These assessments are to help prepare them to understand what SATs will be like. They are also to support us to understand what the children are confident with and what they need to develop further.

Next week

We will be continuing to read *Goodnight Mister Tom* in English. The children are already really invested in the story and are looking forward to discovering what happens next. We will also be writing a diary entry from the perspective of one of the characters, exploring their thoughts, feelings and experiences.

In Maths, we will be moving on to multiplication involving whole numbers and decimals. We will also begin applying these skills to a range of word problems, helping the children to develop their reasoning and problem-solving skills.

Homework

River Pinn trip.

Next Wednesday morning, we will be visiting the River Pinn to bring our Geography learning about rivers to life. We will leave school at 9:00am and aim to be back by 12:00pm. The children will explore the river and its surrounding area, investigate the water and observe the features of the river in real life. Please send your child to school in their fieldtrip outfit and bring their uniform in a bag to get changed into once we return to school.

New website

Please can we remind you that we have a new school website:
https://www.harlynprimaryschool.co.uk/
The old website is no longer updated and will be removed soon.

Have a wonderful weekend!
Mr Brown, Mrs McGlaughlin and Mrs Hughes 😊
