

Year 6
05.06.26

Dear Parents/Carers,

Welcome back 6F! 😊 It sounds like the children have had a truly wonderful time and made some great memories!

The children at school have written a narrative on the tale of the 'Three Brothers' story from Harry Potter. They have been practising how to tell the time and explored bus and train timetables in preparation for Secondary school. The children have continued with their manga topic in art and reviewed different beliefs from faiths in R.E.

Homework

There is no homework for this week. Homework will start again next week.

We hope you have a lovely weekend,

Mr Fox and Miss Andrews 😊
