

CLOTHING AND KIT LIST

The following list is a guide to what your child should bring and **not a definitive list**.

Please ensure that your **child is aware of what you have packed**.

It is essential that all items are clearly **named**.

• Comfortable walking shoes with reasonable grip and reasonably waterproof for the coastal walk and rock climbing. • Wellington Boots for rock pooling. • 2 pairs of Plimsolls or trainers. One pair will get wet when kayaking. • Slippers or alternative indoor shoes
• 4 sets of day clothes e.g. T-shirts, leggings, jogging bottoms • 2 warm jumpers/sweatshirts/hoodies or fleece • Shorts • Swimming costume/trunks for surfing. • Daily change of socks and underwear. The likelihood of wet socks is high. • Warm pyjamas or nightdress.
• 2 towels - one is for outdoor use, kayaking and surfing. • Toothbrush, toothpaste, shower-gel/soap, flannel, moisturiser etc. • Sun protection cream • Hand Sanitizer (optional) • Face Masks (optional)
• Single duvet cover + 2 pillowcases – it is essential that these are packed. The centre charges the school when they provide these for anyone who has forgotten them.
• Small rucksack. This is essential for activities and the coastal walk. • Water bottle • Waterproof cagoule or similar • Anorak or similar coat or jacket • Sun hat/cap
• Pencil case, ruler • Camera and films (disposable) • Postage stamps (optional)
• Pocket money - we would suggest that a maximum of £15 pocket money is sufficient. This should be brought to the School Office in a named zip-lock bag or container (15 x <u>£1 coins</u>) during the week preceding the journey.

Please **do not give** your child sweets for the coach as they may feel unwell.

Watches, pocket games and reading books are welcome **but are brought at your own risk**.

No Electronic games or devices must be brought and definitely NO MOBILE PHONES.
