

Tips for Doodle Maths Homework this week:

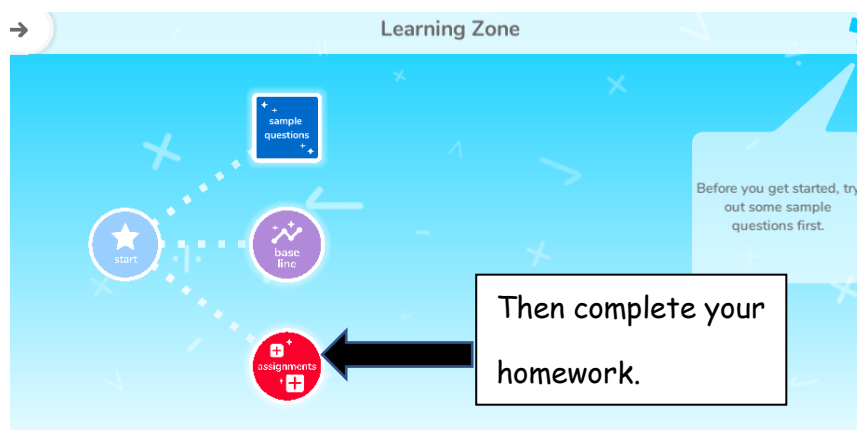

- Step 1: Sign in using your username and password

Your screen will look like this:

- Step 2: Complete your baseline. You have to complete this because it is the first time you are completing new Year 3 Maths work. (You do not have to complete this each week, only each new term)

- Step 3: Complete your weekly assignment. Whenever we set you Doodle Maths Homework, you will see the red assignment circle. You **MUST** try your best to complete your online assignment by Wednesday. Your maths teacher/class teacher will be checking each week.

We understand not everyone has access to the internet or a tablet/computer. If you cannot complete the online Doodle homework please let your child's teacher know via a message in the homework book.

With thanks,

Year 3 staff
