could be improved upon.

A very good effort

being made - Must

try to work faster.

V. Good

A very good half year's

work has been put in -

The desire to progress is

there.

This is good to

Apart from a tendency towards untidiness John's work has been very good, not far behind the best boys in the class. His behaviour in and out of class has been first class and he should do exceedingly well at his new school and go from strength to strength. As he gains confidence he will perhaps not be so easily upset by minor set-backs.

We wish John every success at Northwood Secondary School where he should do very well indeed.
