

The Wider Curriculum at Harlyn Primary School

Practice

- Vocabulary and language development in every lesson
- Children know what they are learning
- Learning is made challenging through differentiated activities, extensions, questioning, adult support and feedback, individual, paired and group work
- Where appropriate adults model good examples of work
- We ensure that there are cross curricular links where appropriate
- We encourage our children to explore being an artist, historian, scientists, designers, architects and sports people
- In art, music and D/T children are encouraged to evaluate their own and others creations
- In computing E-safety is explored at the beginning of every term
- Vocabulary is a key focus in lessons to broaden children's experiences of the world
- In PSHE and RE (Agreed Syllabus) are followed which are in line and promote our rights respecting ethos
