

Harlyn Primary School

School Teams Code of Conduct

Harlyn Primary School provides a wealth of extra-curricular opportunities for students to take part in, many of these being sports related. The school acknowledges its responsibility in ensuring that our students, teachers and spectators display the correct sporting attitude and behaviours at all times.

Our pupils will be encouraged to:

- Play by the rules;
- Use correct and proper language at all times;
- Accept every decision made by any official;
- Accept victory and defeat equally with good grace;
- Acknowledge the performance of the opposition by shaking hands at the end of competition.

Children are reminded that being chosen to represent the school is an excellent achievement, however this comes with responsibility and they are to act as ambassadors for the school at all times during any team event. Additionally, they are expected to maintain a high level of behaviour and effort in class.

As teachers we will:

- Teach the pupils to value their performance, not just the end result;
- Show respect for opponents, officials and their decisions;
- Not tolerate violent play or cheating;
- Promote good sporting behaviour within the spirit of the game;
- Act in a professional manner at all times;
- Use correct and proper language at all times;
- Promote the appropriate behaviour of all spectators.
