

Pupil Premium

The pupil premium is allocated to schools in England in addition to the main school funding. It plays a significant role in enabling schools to raise the attainment of disadvantaged pupils and close the gap between them and their peers. PP funding is also aimed at children who have a parent serving in the armed forces.

Schools are free to spend the Pupil Premium as they see fit. However we will be held accountable for how we have used the additional funding.

Head teachers and school governing bodies are accountable for the impact of pupil premium funding in the following ways:

- performance tables, which show the performance of disadvantaged pupils compared with their peers
- requiring schools to publish details online each year of how they are using the pupil premium and the impact it is having on pupil achievement
- the Ofsted inspection framework, where inspectors focus on the attainment of pupil groups, and in particular those who attract the pupil premium.

Our Objectives in spending the Pupil Premium Grant:

- To remove barriers to learning.
- To accelerate pupil progress and raise attainment
- To support social and emotional development that enables children to learn.
- To broaden experiences and widen opportunities for children.

Strategy for using the funding

Increasing the rate of progress and overall achievement for targeted children through:

- Focus on learning in the curriculum.
- Focus on social, emotional and behaviour.
- Focus on enrichment beyond the curriculum.
- Focus on families.
