If time is limited, please make this a priority and action.

Y6 School Journey

Year 6 have successfully completed their residential weeks in North Devon. The children enjoyed participating in all activities. As usual surfing appeared to be a particular favourite. There some photos on the 'Latest News' page of the website.

Congratulations Y1 and Y4

Year 1 have successfully completed their Phonics Screening Test and Y4 have completed their Multiplication Table tests. These statutory assessments are the last of the Government tests for this academic year. Well done to the children for trying their best!

Children being collected late

Punctuality is a life skill that they need to develop whilst they are young.

I now write to inform you that too many children are being collected late after school. We appreciate that sometimes circumstances can be beyond parents control, however we need to remind you that Nursery PM finishes at 3.30pm, KS1 finish at 3.10pm and KS2 finish at 3.15pm.

District Sports

Well done to all the children who represented the school so magnificently at District Sports. Third place/Bronze medal, position is amazing and winning 16 medals is truly a brilliant feat too especially on such a hot day!

Thank you to those who took part, on all your training, effort, sportsmanship and for being excellent ambassadors for the school.

Planning for 2026/27

We are developing our plans for the next academic year. Parents are aware that on some occasions it becomes evident that year groups may benefit from re-organisation. This is done to ensure the high numbers of children who have arrived mid-year/through the years are in balanced classes. Pupils in Year 2 currently will be re-grouped for September. Children's friendships are amongst the considerations for the new classes and the classes have been trialled.

Rec-Y6 Sports day – cancelled

As you know the sports days were cancelled due to the hot weather last week. Unfortunately, there is not enough time in the remaining days of the term to reschedule the events. Apologies for any disappointment may bring.

Look around School

There will be an opportunity for you to look around the school and visit classes on Thursday 9th July between **2.45pm – 3.15pm**.

This is not a parents evening but an opportunity to view classrooms and look at displays. Teachers will not be available to discuss children's work.

If you would like to join us you will need to collect your child from his/her class and take them with you around the school.

There will also be an exhibition of the school's 'Celebrating Differences' week on show in the hall.

If you are not able to join us please collect your child from the playground or Reception classroom at the normal time.
