St George's House is a non-profit making registered charity. The facilities are particularly designed to cater for groups of young people from church groups, schools, youth clubs and youth organisations. A warm welcome is extended to all groups.

The house has accommodation which is separated into dormitories. The house is fully centrally heated, holds a full Fire Certificate and has excellent toilet and shower facilities.

St George's House is situated in the village of Georgeham and one and a half miles from a sandy beach that is an exceptionally attractive part of Devon. Exmoor and Dartmoor are both within easy reach.

All of our activities are carried out within a five-mile radius of St George's House. We engage the children in a very full programme of three activities a day.
