Welcome Back

The Summer Term is always an extremely busy and action packed term and this year I am delighted to say that is the case again! In addition to statutory testing and day trips we hope that longer days and better weather will increase opportunities for creative and outdoor learning.

Be Organised!

Whilst we appreciate there are times when things are forgotten, we have more and more lunches and PE kits arriving after school has started.

Can we also request that you do not telephone and ask the office to pass on messages to staff or children. These are things that need to be organised before school begins or emailed to the Year group.

Thank you for your cooperation.

Sun Cream

During this sunny weather please put sun cream on your child before they come to school. School staff cannot apply sun cream to your child and we also ask that bottles of sun cream do not come into school as many contain ingredients that trigger allergies in others. Thank you for your cooperation.

Lateness

Unfortunately there seems to be lots of children consistently arriving late to school. This is upsetting for children and can be disruptive for the rest of the class as many necessary learning objectives and instructions are given out and may be missed.

Please also note that if a child arrives after the registers have closed it will be marked as an unauthorised absence and if you receive 10 unauthorised absences, a referral may be made to the Attendance Support Team who may issue a fine.

Scooters & Bikes

In the interest of Health & Safety please can I remind everyone that scooters and bikes should not be ridden on the school site by children or adults! They can be wheeled on the site to the scooter/bike stores or taken home.
