Harlyn gets Gold!

We delighted to have been recognised by Transport for London. They have said; *Thank you for being a part of the programme and working hard to reduce car use, improve safety and increase walking and cycling in the Capital. You and your school community have contributed to making our city's air cleaner and our streets safer, and your work as School Champion is inspiring the green leaders of our future.*

This year we have reached the amazing milestone of 1000 gold accredited schools in London. This means that a third of all schools in our city have now achieved gold. Your school is part of a growing partnership improving the daily lives of over 600,000 children and their communities. Together, we're enhancing air quality, supporting biodiversity, and making streets safer for everyone.

FRA Disco

Thank you to everyone who bought a ticket for the disco and supported the FRA. Apologies to those of you who missed out buying a ticket but there has to be a cut off date and it was a week before the event. These details are all written in the letters sent out by the FRA. Please note that the FRA are a group of parents who give up their time voluntarily to organise events for the children and they are always looking for new people to help. [If you would like to join the FRA please email harlynfra@gmail.com](mailto:harlynfra@gmail.com)

Parents Evenings

This week we held our first set of Parent/Teacher meetings for this academic year. Many thanks to all those parents who made and kept their appointments. As we know, education works best as a partnership between home and school.

If you could not attend please contact your child's teacher via the year group email address.

Lost Property

As we approach half term I thought I would let you know that we have a huge amount of lost property. There are uniform items, shoes, lunch boxes etc. A lot is unnamed so we can not organise returns.

Please help by having a look through it all and by naming your child's items going forward

Food Waste

Please help us achieve our recycling ambitions by only putting waste food in the playground 'Bear' bin. Coffee cups can be placed in the blue bins. Thank you for your cooperation.

Car Park Entrance

A polite reminder that pedestrians should not access the school grounds via the car park entrance. Recently a parent was nearly hit by a car here. Please use the other entrances for your own and your child's safety. An extra minute's walk could save a life.

BBC Children in Need

We will be taking part in the annual Children in Need event once again this year. Children are invited to come to school on 14th November wearing spotty clothing where they can.

Don't forget

School is closed on Friday 24th October.

Staff News

Congratulations to Mrs Harris on her recognition by Hillingdon Council of her 25 years long service to the school and the Council. Well done Mrs Harris!
